I tried to stop him...
but he just jumped.

To be honest...
I didn't know his name but I remember playing basketball with him a couple of times before I was conscripted.

YOMANGA.CO

I don't know why he did it...
but I could've stopped him if I got there quicker.
.....

Don't worry about it. It's not your fault. Anyway, I'm heading off!

Father, this town is possessed by something.

What are you talking about? Be specific.

Last night, someone died from falling off a building... but when that woman appeared it's as if he didn't exist in the first place and everyone had forgotten about the dead guy. As if she made everyone turn blind.

What does the girl look like?

She's pretty... very pretty... I've never seen anyone that pretty.

YOMANGA.CO

Hmmm... Are you sure? Try and remember. You might have been blinded just like everyone else.
